

Kraftform Kompakt VDE

EAN:	4013288229953	Size:	230x120x82 mm
Part number:	05006609001	Weight:	845 g
Article number:	Kraftform Kompakt VDE 16 Torque 1,2-3,0 Nm extra slim 1 Tool Finder	Country of origin:	CZ
		Customs tariff number:	82054000

- Kraftform Kompakt VDE torque screwdriver set with adjustable torque
- Adjustable Kraftform VDE torque holder exclusively for Wera VDE interchangeable blades
- VDE-insulated Kraftform 817 VDE bladeholding screwdriver with anti-roll protection
- VDE blades (157 mm length) with practical spinning function, anti-roll protection and Take it easy tool finder: colour coding by profile and laser-engraved size indication
- Individually tested tools as per IEC 60900
- In a robust folding pouch
- Compatible with Wera 2go

16-piece torque VDE blade set. Includes 14 blades (12 of which with reduced blade diameter) with integrated protective insulation. With Take it easy Tool finder: Colour coding by profile and laser-engraved size indication - for quick and easy identification of the required tool. Torque VDE bladeholding screwdriver with adjustable torque value from 1.2-3.0 Nm and 817 VDE bitholding screwdriver. Both with ergonomic Kraftform Plus handle, with hard handle zones ensuring high working speeds while soft handle zones guarantee a high torque transfer.

Kraftform Kompakt VDE

Individually tested

Each Kraftform Kompakt VDE set has been tested individually at 10,000 volts, in accordance with IEC 60900. This ten-times-higher testing load guarantees safe working at their maximum permitted load of 1,000 volts.

The handle/blade system – Kraftform Kompakt VDE

The handle/interchangeable blade system allows rapid exchange of the blades required for a wide range of applications.

Kraftform adjustable torque handle for Electricians

Easy-to-read scale value. Measurement accuracy is $\pm 6\%$ in accordance with the standard EN ISO 6789.

PlusMinus screwdrivers

For the use in terminal blocks, control cabinets, switches, relays, sockets etc.

VDE interchangeable blade with reduced shaft diameter

Reduced blade diameter with integrated protective insulation, allows sunken screws and spring elements to be accessed and actuated, individually tested as per IEC 60900.

Take it easy

The Kraftform Kompakt VDE blades are equipped with the Take it easy tool finder. Colour coding by profile and laser-engraved size indication make it easy to identify the required tool quickly.

Hexagonal anti-roll feature against rolling away

The Kraftform Kompakt blades come with an anti-roll protection. The hexagonal shape hinders the blade from rolling away annoyingly at the workplace.

Fast turning

The palm of your hand is comfortably supported on the rounded shape of the rear end of the blades. This allows quick spinning of the blade and accelerates the screwdriving process.
