

Product Information

97 21 215 B

Crimping Pliers

- For cutting cables, stripping wire and crimping non-insulated plug type connectors
- With threaded holes for cutting copper and brass screws threaded M 2.6 / M 3 / M 3.5 / M 4 and M 5
- Bolted joint for higher stability and even movement

| General                        |                                                             |
|--------------------------------|-------------------------------------------------------------|
| Part No.                       | 97 21 215 B                                                 |
| EAN                            | 4003773019695                                               |
| pliers                         | black lacquered                                             |
| Handles                        | with multi-component handles                                |
| Weight                         | 250 g                                                       |
| Dimensions                     | 230 x 63 x 25 mm                                            |
| REACH compliant                | does not contain SVHC                                       |
| RoHS compliant                 | not applicable                                              |
| Technical details              |                                                             |
| Application                    | non-insulated open plug-type connectors (plug width 6.3 mm) |
| Capacity in square millimetres | 0.5 – 2.5 mm²                                               |
| Number of crimp profiles       | 3                                                           |
| AWG                            | 20 – 14                                                     |

Technical changes and errors excepted
