

# PROSERIES® PADLOCK SECURITY

## ***ProSeries***®

- ProSeries® padlocks offer high security construction.
- **Iron Shrouded** and **Solid Steel** padlocks withstand extreme abuse.
- **Weather Tough**® and **Solid Brass** padlocks stand up to harsh environments.
- Precision 5 and 6-pin rekeyable cylinders provide superior pick resistance. Interchangeable Core and Key-in-Knob cylinders available to match padlocks to door lock keying.
- Enhance keying security with Edge® Key Control and BumpStop™ Advanced Cylinder Technology options.
