High Leverage Diagonal Cutter

- All-round performance: Optimum combination of cutting power, durability and ergonomics
- Cuts noticeably easier than conventional diagonal cutters of the same size thanks to the high-leverage joint
- Optimised: approximately 20% less effort compared to the previous model
- For very tough, continuous use
- Enables more precise work thanks to handle sleeves closer to the joint
- Redesigned handle shape for better hold
- With comfort handles: consisting of three ergonomic components for optimized handling and equipped with two KNIPEXtend interfaces for extensions
