

DATA SHEET: TERMINAL BLOCK CBC GREY, 6mm²

SCHRACK-INFO

- UL94V-0
- Reduced overall dimension
- Patented "Easy bridge" system:
double possibility to insert PTC multipole cross-connections,
without the need of insulating protection
- Available in grey RAL 7042 and beige RAL 1001 colours

TECHNICAL DATA

Rated cross-section (mm ²)	6
Connecting capacity	
flexible (mm ²)	10
rigid (mm ²)	10
max. flexible with ferrule (mm ²)	6
Rated voltage	1000V
Rated current	57A
Gauge	A5
Rated impulse withstand voltage	12kV
Pollution degree	3
Insulation stripping length (mm)	10
Tightening torque value (test/max) (Nm)	0,8/1,4
Height / width / thickness	52/44/8

DESCRIPTION	ORDER NO.
Terminal block CBC grey, 6mm ²	IK110006
